

PROJECT STARTUP

EUROMECC EVALUATION QUESTIONS

PAST NEEDS

1. What type of VET and/or higher VET courses do you provide?
2. Which training methods have previously been used in your country when educating within this field?
3. What education and training methods are currently applied in your field in your region/country ?
4. Why and how did your organization get involved into this project?
5. What expectations did you have to this project?

FUTURE NEEDS

6. What types of challenges do you expect to encounter in this project?
7. Do you think this project can improve the way you offer education and training in your region/country ?
8. Do you expect that the market for education and training will increase if the project results are successful ?
9. What obstacles might appear when implementing the project results in your market ?
10. What is needed in order to succeeded with the new training methods ?
